

Re-Opening Washington

Social Guidance for May 20th

Safety First

We will reopen Washington safely and securely with a proactive program that safeguards the health of our residents, continues physical distancing and provides clear safeguard rules for businesses and institutions deemed safe to reopen.

Choice

Individual businesses within sectors allowed to open are empowered to make their own choice on when they reopen. When they reopen, they must comply with rules that have been laid out to safeguard their employees & customers.

Guidelines

Facemasks or cloth face coverings worn at all times in public when a distance of 6 ft. cannot be maintained.

Gathering size limited to maximum of 5 people.

Residents 65+ or with high risk factors are encouraged to stay home.
